10W USB RECHARGEABLE WORK LIGHT

Stock Code: S8188

OPERATION

HOW TO OPERATE YOUR WORK LIGHT:

Charging the work light:

1. Insert the micro USB plug of the charging lead into the USB socket on the work light and the larger USB plug into the charging device (phone charger / wall outlet / PC)
2. Red LED illuminates during charging.
3. When charging is complete the LED changes to green.

Operating the work light:

1. Grip both ends of the work light and pull apart.
2. Rotate the swivel feet on each end of the work light through 90° to form a stand or to attach to a metal surface using the strong magnets.

Never use a damaged product.

Note: This light does not contain any user serviceable parts.

WARRANTY INFORMATION:

If you experience any problems with this product please contact us via Livechat or contact@dktools.com. If you need to make a claim under the 3yr product warranty, please complete a warranty claim form www.amtechdiy.com/warranty and submit it along with a copy of your purchase receipt.

WARRANTY TERMS & CONDITIONS

This Amtech product comes with a 3 year warranty. This warranty, and the warranty period, begins on the date of retail purchase as detailed on your sales receipt. If this product develops a fault within 30 days of purchase, return it to the stockist where it was purchased, with your receipt, stating details of the fault. If this product develops a fault after 30 days a warranty claim must be submitted. Your original receipt indicating the place and date of purchase must be submitted to validate the claim. We do not refund carriage. All products should be packaged carefully to prevent damage or injury during transportation. The replacement of the product will not extend, or renew the period of guarantee. Retained tools, or parts, for which a replacement has been issued, will become the property of DK Tools Ltd. The replacement of your product under this warranty provides benefits which are additional to, and do not affect, your statutory rights as a consumer. To request a warranty replacement, please submit a warranty claim form at www.amtechdiy.com/warranty

What is covered

The replacement of the product, once verified to the satisfaction of DK Tools, that the defect is due to faulty materials or workmanship. If any part is no longer available or out of manufacture, we may replace it with a functional replacement.

What is not covered

Normal wear and tear caused by use in accordance with the operating instructions e.g. blades, brushes, belts, bulbs, batteries etc. Accidental damage, faults caused by: improper use, abnormal environmental conditions, overloading, insufficient maintenance, careless operation or handling of the product. Use of the product for anything other than normal intended purposes. Change or modification of the product in any way. Defects caused by the use of parts or accessories which are not Amtech genuine components. Claims, other than the right to correction of faults with the product covered by these conditions. Slight deviations from the specification that do not affect the functionality of the product.

ENVIRONMENTAL PROTECTION

Waste electrical products should not be disposed of with household waste. Please recycle where facilities exist. Check with your local authority or retailer for recycling advice.

IMPORTANT:

No liability is accepted for the incorrect use of the product. Whilst every effort has been made to ensure accuracy of information contained in this manual the DK Tools Ltd policy of continuous improvement determines the right to make modifications without prior warning.
