**Instructions for use:**

The lock is preset at 0-0-0.

To set your own combination please follow the steps below:

1. With dials set to 0-0-0, press and hold in the button (1) at the base of the lock body
2. Change the dials to your own combination.
3. Release the button (1).
4. Your new personal code has been set.

Keep your combination in a safe place & save these instructions for future reference.
